

Year 5/6

Home Learning Grid Summer Term

Theme –Energy

	<p>Sumdog Grammar & Spelling training or any tasks set by your teacher.</p>	<p>Can you write a story aimed at younger children? Perhaps you could even create your own book with colourful illustrations, lift the flaps and other engaging features.</p>
	<p>Sumdog Maths training/tasks set by your teacher/+ - x ÷ tables practise. You can also use TTRS or Hit the Button to practise times tables.</p>	<p>Make a list of objects around your house that are acute and obtuse angles. Remember you can use the corner of a piece of paper to find 90°.</p>
	<p>Check your pulse before engaging in physical activity and after. Is there a difference?</p>	<p>Reaction time test. Ask a family member to drop a ruler without warning. Attempt to catch in one hand as quickly as possible and record results. Test other family members reactions.</p>
	<p>How many countries have hosted the Olympics? How many can you name?</p>	<p>Research a famous Olympian of your choice. Create a fact file explaining why they are famous. For example, Usain Bolt.</p>
	<p>Get Fit in 5. Take 5 minutes out of your day to get your heart pumping faster. You can do this by going for a walk, jog or run around your garden. How else can you get your heart racing?</p>	<p>We are always burning calories. Research foods which are known to give us energy. Could you design a meal plan to get us through the week?</p>
	<p>Draw your own mascot for the Paris 2024 Olympic Games. Research previous mascots to help with ideas.</p>	<p>Choose a Country that is taking part in the Paris Olympic Games. Search for their National Anthem on YouTube. Sing along and see if you can learn the words.</p>
