

Bringing out the best
in each other

Welshpool Church in Wales Primary School

What people like and
admire about our school.....

We are a THRIVE school

We are an environmentally
friendly school with wonderful
views!

We have new technology!

Our peer mediators

All our groups and committees
show that we listen to each other
and have respect for everyone's
opinions (this is called pupil
voice)

This is a happy friendly school
that welcomes everyone no
matter what language they
speak or where they come from

What makes our school special to us...

Being in a brand new Passivhaus school!

Being a Church School

Our Fairtrade uniform

We have all worked hard
together to become a healthy school

Our school values

We feel safe and happy and supported here

We get rewarded for things we do well and
we celebrate all our achievements (even if
they are small steps)

We feel like a family as we are altogether
now!

How can we improve our school?

- We are working hard to turn all our outdoor areas into fantastic learning environments
- We always try hard with our behaviour, but we still need boundaries
- We all need to try hard with our attendance
