

Welshpool Church in Wales Primary School

Newsletter Autumn Term Number 1/Cylchlythyr 1 Tymor yr Hydref

Thursday September 2nd 2021/Dydd Mawrth Medi 2ail 2021

Our value for the month is FRIENDSHIP

WELCOME BACK!

The staff and Governors of Welshpool Church in Wales Primary School would like to welcome all pupils back to school. We hope you have all had a relaxing summer.

A special welcome to all our new Reception children as they start their journey through education, and also to many new pupils who have joined us from schools in other areas.

We hope that you have seen the recent letters for parents and carers, which have been put on the school's Facebook page and on the school website. These letters set out the local authority's position on the return to school, which is to take a 'cautious approach' to the new term.

Cases of Covid-19 are very high in the local area at present, and so the school has been advised to tighten all control measures. These have been listed below for reference. This is to ensure that the return to school is as safe as possible for all our pupils, their families and for staff during the ongoing pandemic.

We would like to thank you all for your support and for your ongoing understanding and patience.

- *Only one adult should accompany your child/ren to school and should wear a face mask unless exempt, keeping at least 2m distance from other adults.*
- *Please do not accompany your child to school if you feel unwell or think you may have symptoms of Covid-19.*
- *A one way system will continue to be in place around the outside of the building to guide the children to their bubbles and this includes those using Breakfast Club.*
- *Each class will have a clearly labelled sign for the children to line up and to hand sanitise before entering their classroom.*
- *Once your child has been dropped off or picked up, please exit the site straight away.*
- *Please be patient, as all staff will continue to check whether there has been any illness in the family and whether the children have a coat, water bottle, snack, medication and packed lunch if needed.*
- *Children will continue to arrive in their PE kit on the day of their PE lesson.*
- *Please allow your child to bring only essential items to school.*
