Our value for the month is RESPECT

School Website

Please check out the school website for extra information. Not only does the website have up to date information about the school and current newsletters, but each class has a page where children's work and photographs are displayed. The website also has important school notices and policies, as well as information about how to help your child at home. The address for the school website is at the bottom of each newsletter and can be found via this link: [Information for Parents and Carers \(weebly.com\)](https://www.welshpoolciwp.com)

UKULELE LESSONS!

We are pleased to tell you that Ukulele lessons have started for Years 5 and 6.

The teachers are learning alongside the children and they are all having lots of fun!

SCHOOL NEWSLETTERS

We are being told that many parents and carers are not accessing and reading the newsletters. This is a shame, as each week, we inform you about upcoming events, we celebrate pupil achievements and provide you with important dates and deadlines. Please access the newsletters via the school's Facebook page or Twitter.

Each week the newsletters are also emailed to you. If you are not receiving them, please check your Junk folder, or call in to see Mrs Barker as it might be that we have incorrect email addresses.

SPORTS EVENTS

We are delighted that some sports events are restarting following the lifting of Covid restrictions. Five pupils from each class from Years 3 to 6 will be taking part in the cluster cross country competition on the Maesydre fields on Wednesday 4th May.

CONGRATULATIONS!

We are proud to announce that Simay won the World Book Day competition run by Welshpool Town Library. Well done, Simay!
