Our value for the month is FRIENDSHIP

PEACEFUL SCHOOLS PROGRAMME

We are delighted to be taking part in the Peaceful Schools Programme again this year. All pupils in Years 5 and 6 take part in sessions that support the development of conflict resolution. By the end of the programme, the pupils will have had opportunities to:

Develop respect for themselves and others

Explore their personal values

Value diversity and recognise the importance of equality of opportunity

Understand their rights, e.g. the UN Convention on the Rights of the Child, and responsibilities

Understand situations which produce conflict and the nature of bullying

Understand how injustice and inequality affect people's lives

Take increasing responsibility for keeping the mind and body safe and healthy

Feel positive about themselves and be sensitive towards the feelings of others

Develop a positive attitude on issues of poverty and fairness

Understand how poverty and inequality can cause problems.

We are offering lessons in drums, guitar, ukulele, bass and piano in school. If your child is in receipt of free school meals, these lessons will be funded through the school's Pupil Development Grant at no cost to parents/carers. If your child is interested, please contact the providers directly using the details below. One of our previous music teachers, Mr Turner has retired, and we would like to wish him all the best and thank him for his time at Welshpool Church in Wales Primary School.
