AFTER SCHOOL CLUB

From September 2022, we are looking into the possibility of setting up an afterschool club that would run from 3.15pm to 5.30pm.

We are seeking your views so that we can ensure the provision meets the needs of our families. The online questionnaire has been sent you via email, but in case you've missed it, please complete it using the link below by 30th June to support us with our planning.

Thank you.

REFUGEE WEEK

This week is World Refugee week which is an international day designated by the United Nations to honour refugees around the globe. It celebrates the strength and courage of people who have been forced to flee their home country to escape conflict or persecution. World Refugee Day is an occasion to build empathy and understanding for their plight and to recognize their resilience in rebuilding their lives.

In school, we will be speaking to the children about this year's focus which is the right to seek safety. Every person on this planet has a right to seek safety - whoever they are, wherever they come from and whenever they are forced to flee.

This is part of our work on Children's Rights.
