Our value for the month is JUSTICE

TRANSITION

Moving into a new class is a big step for all children, and so we have planned two days of transition on Monday 4th and Tuesday 5th July.

A letter will be sent out this week with details of your child's next class teacher. All children will be moving into their new classes to meet their new teacher and new friends.

We will have some new starters joining us in Reception and also some new pupils throughout the school, while the Year 6 pupils will be having two exciting days in the High School.

Please get in touch if you haven't heard about transition before next Friday so that we can check that you have received your letter.

SPORTS DAYS!

Following the success of our Class Sports Days last year, we would like to do the same again this year and invite you to attend.

You have all been emailed with a timetable with dates

and start times for each class. Those children in the KS2 Specialist Centre will be joining their main-stream class for the event. For those children in the Foundation Phase Specialist Centre, please speak to your Class Teacher who will advise you which event your child will be participating in.

The sports days will be taking place on the MUGA (the fenced playground at the back of the school) as the field will not be ready. We will also be providing seating but please come ready for whatever the weather may bring!
