Newsletter Autumn Term Number 10/Cylchlythyr 10 Tymor yr Hydref

Monday November 8th 2021/Dydd Llun Tachwedd 8ed 2021

Our value for the month is KINDNESS

THIS WEEK IS HEALTHY SCHOOLS WEEK!

Each term we have a healthy schools week where we focus on the seven areas of healthy schools

Food and fitness (nutrition and physical activity)

- Mental and emotional health and wellbeing, including staff wellbeing
- Personal development and relationships, including sex and relationships education
- Substance use and misuse, including alcohol, smoking and drug use and misuse (legal, illegal, and prescription)
 - The environment, including eco-initiatives and improving the school and wider environment
 - Safety, including a variety of topics such as child protection, sun safety, internet safety, and first aid
 - Hygiene across school and non-school settings

This week, the pupils will be taking part in a range of activities including some about healthy relationships.

The Spectrum project aims to promote healthy lifestyles and healthy relationships, to help prevent abusive environments from developing.

PRICE OF PUPIL POVERTY

The school is very excited to be working with Welshpool High School on a project called The Price of Pupil Poverty that aims to raise awareness of the impact poverty has on children's lives. This will provide cost effective solutions that can contribute to improved learner well-being.

We will be doing this through some new initiatives, including a uniform swap shop, a new hygiene bank, as well as some workshops for parents to support with financial management. More details about these exciting developments will be in next week's newsletter!

Please look out for it in your inbox, on the school website, and on the school's Facebook page.

COUNTY TIMES NEW STARTERS

The photograph of the new Reception children who started this September will be published in the County Times on 11th November.

Look out for the WCIWPS new starters!

ANTI-BULLYING WEEK

The school will be taking part in National Anti-Bullying week between 15th - 19th November, which aims to highlight ways of prevention, raise awareness of bystander responsibility and create a culture of kindness in the classroom.
