## THANK YOU!

A huge thank you to everyone who contributed to raising money for Comic Relief and for the Ukrainian Humanitarian Appeal. The children

had lots of fun selling their decorated biscuits, taking part in the colouring competitions and filling the shapes with their pennies!

We have all raised an enormous

## ESTYN INSPECTION

As you are aware, the school will be inspected this week. Please remember to sign up for the parents' meeting on Monday 21st March at 5pm. An email has been sent out twice with details of how to do this. Please contact the school if you have any queries.

## AFTER SCHOOL CLUBS!

Great news! After school clubs will be starting again soon, We hope to offer a rugby club for the juniors and Little Dragons football club for the Foundation Phase pupils. Watch out for further details once we hear that covid restrictions can be lifted.

## STEM WORKSHOPS

This week, Years 5/6 will be taking part in some exciting activities that promote a wide range of construction careers and aspects of the construction process, including health and safety, teamwork, engineering problem-solving and working to timescales. They will be building a giant tetrahedron and watching a show about what exactly engineers and scientists do! How do planes fly? How can we see through the dust in space? How do engineers make playgrounds safer to play in? How are they saving lives, and the planet?
