OUR NEW FIELD!

We are delighted to be able to let you all know that the field at the rear of the school is finally ready to be used by the school and the community!

Thanks to grant funding from Sports Wales, we have a beautiful field that is soon to be marked out as a football pitch and which can now be used for sports and other activities.

Some of the first visitors to the new field were members of the Reception class who went on a Welly Walk!

Extra funding has also been secured to allow us to buy a storage container. This will house the mobile flood lighting and other equipment needed. The school aims to invite Welshpool High School and community groups to use the field for the benefit of the residents of Welshpool.

WORLD CUP FEVER!

To celebrate our place in the World Cup 2022, all pupils will be taking part in special drama workshops over the next few weeks!
