

# Welshpool Church in Wales Primary School

Newsletter Spring Term Number 11/Cylchlythyr 11 Tymor yr Gwanwyn

Monday 28th March 2022/Dydd Llun Mawrth 28ain 2022

*Our value for the month is PERSEVERANCE*

## ESTYN INSPECTION

The inspection last week was a very positive experience and we are looking forward to sharing the report with you when it is published in May.

Thank you to all those parents and carers who completed the questionnaire and attended the meeting. We would also like to thank the governors for their support, but most of all a BIG

THANK YOU goes to all the children who were AWESOME all week and really did WCiWPS proud!

## STEM WORKSHOPS

Y5/6 loved their STEM workshops this week!

"It was such a fun day"

"Building the Tetrahedron was amazing"

"It was such a fantastic experience"

"The Superhero show was extremely entertaining"

"It was educational and fun"

"Being able to use the soldering irons was incredible"

"We wish STEM were here all week"

"It's the most fun we've had in a long time"

## AFTER SCHOOL CLUBS!

A programme of after school clubs will be starting again after Easter. Initially we will be offering a rugby club for the juniors run by Huw Williams and a Little Dragons football club for the Foundation Phase pupils. Both clubs will run on Wednesdays between 3.15pm and 4.30pm. If your child is interested in coming, please could you give their name to the school office, so that we can see how many are interested in attending. Each club will be subsidised by the school, but there may be a small contribution of no more than £1.00 to attend each week.

## FOREST SCHOOL AREA

You will be aware that there is a Forest School area by the school entrance that consists of a small copse of trees. We are noticing that some children are accessing this space while on the way home and sometimes causing damage. Please can we ask you not to allow children into the area on their way to or from school while we wait for fences to be fitted which will keep this area safe? Thank you.

An additional non-pupil (INSET) day has been arranged for Powys schools during the summer term.

This will be on Monday 27 June, 2022 to allow schools to prepare for the rollout of the new Curriculum for Wales.
