CHILDREN IN NEED DAY

The school took part in Children in Need day on Friday the 18th November. Thank you to parents and carers for their generous donations! The School Council had planned a range of fun events and the cookies baked by Years 5 and 6 were delicious! The school raised an enormous

£380!

THANK YOU!

A huge thank you to everyone who has donated to our Harvest appeal for jigsaw puzzles and craft kits that can be used by the elderly in our community. We are very grateful to you all. These will now be shared amongst the local residential homes.

FREE Nutrition Course

Please remember that there is a free nutrition course open to all on Fridays at 9.15am in the Community Room. All welcome! The first sessions have been well attended and full of useful advice.

FIRE SAFETY TALKS

On Tuesday 22nd November, Years 2 and 5 will be having fire safety talks from the Mid and West Wales Fire and Rescue Service.

The session for the Year 2 pupils is a story about a young dragon named Sbarc with a safety message "Don't touch, tell" (the danger of touching lighters & matches).

The Year 5 session relates to "Fire Safety in the Home".

We are grateful to the MAWWFRS for giving our pupils these free talks.

On Friday, your child should have brought home an envelope with a Progress Report and a Feedback Sheet. These are to inform you about your child's progress in the Welsh National Reading and Procedural Numeracy tests. Please let us know if you have not received these.

These will be discussed at the Parent/Carer meetings which are taking place online this week. If you are unable to make an appointment with your child's class teacher, please contact the school office.
