It is with great sadness that we heard about the passing of Queen Elizabeth II on Thursday 8th September. The school held a special commemorative service on Friday morning. The pupils have been writing cards of condolence which we will send into the national book of condolence. Classes have also been writing poems and prayers in memory of our longest reigning monarch, and have been learning about her long and exceptional life.

REMINDERS

Instrumental lessons are starting again. Please contact the school office for details.

Bookbags are given to all Reception aged children when starting school. If other pupils would like to purchase one, the cost is £5.00. Please ask in the school office if you would like one.

Please can we ask people not to PARK in the drop-off zone. This is for dropping off only. Last week no other cars could get around the corner of the carpark due to the number of parked stationary cars in the drop-off zone. We realise the car park is reduced due to the works vehicles. They should be leaving early this week once the groundworks have been completed.

SWIMWEAR

We would be grateful for any unwanted swimwear for our pupils. Please see April Harding if you have any donations!
THANK YOU

TESCO

Community Grants

TESCO GRANT

We would like to share the exciting news that we have been awarded the Tesco community grant. Thank you to everybody who took time to collect the blue coins, we really did smash it! The grant application will be used to help families within our school community who are struggling to meet the rising costs of living. Our Winter Support scheme will help families who need access to school uniform and winter clothing. The money will help us to purchase equipment to launder and dry clothes as well as making the loan of school coats available. We appreciate this is a sensitive topic and our family support coordinator April would be happy to support you in a confidential manner should anyone want to access this service.

PARENT GOVERNOR

The school is seeking one new parent governor. Information about the process for applying is being sent out today (Monday 12th). The role of parent governors is very much valued by the school, and we welcome any nominations. Governors play an important part in shaping the strategic direction of the school and it is important that the parent and carer community is represented on the governing body. Please consider applying!
