As we continue to mourn the loss of Queen Elizabeth II, we would like to share with you some of the work that the children have done in school.

Below is a photograph of the Reflection Room in school where the cards, prayers and poems written by the pupils in remembrance of the Queen have been displayed. To the left is a prayer by 5/6S. All the prayers and cards will be added to the book of condolence at the Town Hall next week.

A MESSAGE FROM THE SCHOOLBEAT SERVICE

SchoolBeat.cymru is a bilingual site from the All Wales School Liaison Core Programme, providing information and resources for pupils, teachers, parents and partners to reinforce the key messages delivered by our School Community Police Officers in primary and secondary schools as well as alternative educational settings.

[SchoolBeat: Home](#)

Please check out the website using the link above. The Police Liaison Service are frequent visitors to school and will be delivering a series of lessons throughout the school year to all pupils on a variety of subjects including safety at home, healthy relationships, stranger danger, substance misuse, online safety and as pupils reach Year 6 they will have sessions relating to the risks and dangers of sexual exploitation.

REMINDERS

Please can we remind all parents and carers that while we love to celebrate the children's birthdays, we are not able to share cakes and sweets in school. If your child would like to share a birthday cake with the class, please could these be sent in ready wrapped portions? Due to allergies and parental choice, cakes/sweets will be sent home to eat.

Please could we politely ask that your child does not wear necklaces to school as these can be dangerous if caught around the neck while playing. While studs are acceptable, dangling earrings can also cause health and safety issues during playtimes. We are also concerned about jewellery getting lost while on the school premises. We ask for your co-operation in this matter. Thank you.

Now that the covid-19 school restrictions have lifted, we are seeing more and more unnecessary items being brought into school. For example, children are bringing in toys and pencil cases. The school provides every child with a pencil case, so these are not needed. Toys can be lost or broken, so we politely ask that these are not sent into school. Thank you.
