COST OF LIVING ACTION GROUP

HINTS AND TIPS!

As families struggle with the Cost of Living Crisis, our Cost of Living Action Group will be sharing some hints and tips in the Newsletter each week.

This week's tip is:

If you have any clothes that you have outgrown, donate them to other families or swap them.

CWESTIWN YR WYTHNOS: QUESTION OF THE WEEK

Each week we will be learning a new question in Welsh!

This week's 'cwestiwn yr wythnos' is...

Ble rwyd ti'n byw?

Where do you live?

Dwi'n byw mewn ty teras yn y Trallwng.

I live in a terraced house in Welshpool.

HOKEY POKEY HEDGEHOG RESCUE

One of our Grandparents, Heather Chave, runs Hokey Pokey Hedgehog Rescue, which rescues ill hedgehogs, rehabilitates them and releases them back into the wild in hedgehog safe environments. As well as this, Heather is devoting her time to developing awareness of the general public in noticing the danger signs. We are extremely pleased that Heather is giving up her time to provide a series of workshops this week for all our children to develop their understanding.

Thank you Heather!

SPORTS FOR CHAMPIONS UK

The children are very excited as we are going to be visited by a professional athlete on Thursday 23rd May! As part of the visit the children will be set a circuit training challenge to complete with the athlete. We would like the children to try to get sponsorship for completing the circuit. The money raised will go to the school and to the charity Sports for Champions UK who help young athletes achieve their sporting dreams. A sponsor form and a letter explaining how to fundraise has been sent home with every child. You can also use the QR code here to donate online, just make sure you add the child's FIRST name only and their class so we can see who has raised what. If you work for a business who might be able to support us, please share the QR code with them or ask school for a letter to give to them. We hope that we can raise lots of money for both the school and the charity!
