Monday 29th January 2024/Dydd Llun Ionawr 29ain 2024

Our values for the month are Truth and Honesty

DIWRNOD SANTES DWYNWEN

Last week, we celebrated Diwrnod Santes Dwynwen. She was a fourth century Welsh princess who lived in what is now the Bannau Brycheiniog (Brecon Beacons) National Park. Dwynwen was rather unlucky in love, so she became a nun. She prayed for true lovers to have better luck than she did.

CWESTIWN YR WYTHNOS: QUESTION OF THE WEEK

Each week we will be learning a new question in Welsh!

This week's 'cwestiwn yr wythnos' is...

Beth wyt ti'n hoffi fwyta?
What do you like to eat?
Dw i'n hoffi bwyta brechdanau.
I like eating sandwiches.

DATES FOR THE DIARY

Monday 29th January and Tuesday 30th January—HSBC Financial Education Sessions
Friday 2nd February—NSPCC Day
W.B. Monday 5th February—Children's Mental Health Week

MARY'S MEALS

It was wonderful to be able to welcome Hannah from Mary's Meals to talk to the children about what has happened to the money they raised from their Harvest Services

Mary's Meals serves nutritious school meals to children living in some of the world's poorest countries. The promise of a good meal attracts these hungry children into the classroom, giving them the energy to learn and hope for a better future.

WCIWPS managed to raise enough money to feed 10 children for a year! Ardderchog!

HSBC FINANCIAL EDUCATION

HSBC UK have developed and supported education programmes across the UK to ensure that young people have access to financial education at home, at school and in their wider community.

We are looking forward to working with them next week when they will be providing the children with the following workshops:

Year 5/6 Gaming for Good and World of Work—The children will explore the world of gaming, making connections between value for money and budgeting as well as exploring fraud and identity theft. They will make links between work, money and future lifestyle goals. They will also explore earnings, deductions and the choices we make around spending and our lifestyle.

Year 3/4 To Buy or Not to Buy and Super Supper Challenge—These sessions help children to distinguish between needs and wants as well as thinking about spending and saving choices. They explore how we might prioritise things that we might want and how our view on what is a need or want might differ from other people's view. They also focus on healthy eating and staying within a budget. It encourages young people to consider the choices we make around money, based on needs and wants, in particular exploring if it is possible to eat well on a limited budget.

Lower School A Woodland Adventure and Toy Time—Some of the children will meet Hoot the Owl to explore the value of money, Dotty the Ladybird to practice counting and money maths; and Savvy the Squirrel to talk about why we save money. They will look at the cost of buying toys and how long it would take to save up for a toy. It helps young people to understand choices that they can make around spending and saving and that others may make different choices.
