### CORONATION COMMEMORATIVE MEDAL

The children have thoroughly enjoyed the build up to the Coronation Celebrations through taking part in a variety of activities to commemorate the event. These have included making crowns, baking and decorating crown biscuits, making bunting to decorate the hall and learning about the history of the Royal Family.

We are extremely grateful to the catering team for adding to the event with their decorations and a banquet of fish and chips fit for royalty!

Thank you must also go to the Friends of the School who have very kindly purchased a commemorative medal, which features a brand-new portrait of His Majesty and is presented in a bespoke regal blue and gold embossed card surround within a protective

Perspex case for all our children to remember the event. We hope you all had a wonderful weekend.

### CAR PARKING UPDATE

We are extremely grateful for the support of the PCSOs who work closely with the school and all our families within the community to build positive relationships. With this in mind, we have been asked to remind everyone not to park in the red zone of the road as this is the main access area to the school building for all our families.

Thank you to all our parents/carers who have come forward with some wonderful suggestions to try to make the car park a safer place by asking ourselves the following questions before we leave the house:

Could I take it in turns with someone and car share?

Could I walk or ride a bike/scooter to school today?

Could I park somewhere else in town and walk to school?

Could I use the bus now and again?
