PUPIL VOICE It is important in all schools that the voices of the pupils are heard, and that the ideas and opinions of the pupils are listened to and respected in the development of school priorities. Article 12 of the UNCRC also states that every child has the right to be listened to. For these reasons we have recently held elections for various school pupil voice groups who will be meeting each half term.

Please find below the members of each pupil voice group for 2022-23.

Children's Rights- Article 12

Every child has the right to say what they think in all matters affecting them, and to have their views taken seriously.

Our value for the month is Thankfulness

COST OF LIVING SUPPORT

We would like to thank Morrison's for their kind donation of a box of food that will be used to provide free fruit and cereals to pupils.

Please remember that April Harding, our Family Support Co-ordinator is always available to provide help and support, particularly with regard to the cost of living crisis.

Each week we will be signposting support services across Powys (see below) . If you need further support or more information, please just call in or ring and ask to speak to April.

We hope that many of our parents and carers benefited from the free hygiene packs last week.

Remember that the school also has a school uniform bank and winter coats and shoes for any families who are in need.

We are here to help!

Struggling to put food on the table?

Don't go hungry, get in touch with a Foodbank in your local area, they will be able to provide you with a food parcel to help feed yourself and your family.
