CLIMATE CHALLENGE CYMRU

Our Eco Committee took part in the Climate Challenge Cymru project arranged by Eluned Morgan, Senedd Member for Mid and West Wales. We were fortunate to have Eluned Morgan visit the school on Friday 19th May to meet the Eco Committee and to find out more about the work they are involved with.

To find our more information about their project, follow the link:

<https://express.adobe.com/page/PGXfpOugTHW7Z/>

Following this visit, we are pleased to announce that we received the following email last week!

CONGRATULATIONS TO THE ECO COMMITTEE FROM ELUNED MORGAN MS

I want to thank you personally for taking part in the Climate Challenge Cymru project. Our team has been very impressed with the work that schools have done and the enthusiasm shown by young learners over the course of this initiative.

The passion and understanding our young people have shown for climate activism has truly been inspiring and gives us hope that together, we can have a real impact.

Our RSPB challenge received many high quality submissions, but we're pleased to announce that **Welshpool Church in Wales Primary School has been shortlisted as a finalist in this category!**

Congratulations on your shortlisting and thank you again for your participation!

Best Wishes,

Eluned Morgan MS

(Climate Challenge Cymru Founder and Minister for Health and Social Services)

FAMILY DROP INS!

We are EXTREMELY pleased to announce that our Family Drop Ins are back!

Barbara Woodroffe, a Family Support Practitioner, has very kindly offered to host the drop ins. Feel free to call in for a cuppa and a biscuit and to discuss whatever you feel the need to, from just a general chat to finances and behaviour.

Barbara will be available from 8.30am in the Community Room on Tuesday 13th June, Tuesday 27th June and Tuesday 11th July.

Please make the most of this wonderful opportunity.

We look forward to seeing you there!

CLASS STRUCTURE

We are in the process of organising classes for 2023/2024. As we have had a number of children join different year groups throughout the school recently, we have had to adopt the following class structure:

- Reception Class
- Reception/Year 1 Class
- Year 1/Year 2 Class
- Year 2 Class
- 3 x Year 3/4 Classes
- 3 x Year 5/6 Classes

As soon as they are finalised, we will contact you with the details of your child's class and class teacher in preparation for the Transition Day on Tuesday 11th July. There will be more information to follow at a later date.

THE SUN IS SHINING!

Please can you make sure your child/children have sun hats and are wearing sun cream?
Thank you!

CLUSTER INSET DAY

Just a reminder that **Friday 30th June** is a **Welshpool Cluster Inset Day**, which is organised by the Local Authority so school will be closed to pupils that day. Tinytots will be open as usual. Thank you.
