

Bringing out the best  
in each other

# Year 5/6 Home Learning Grid

## Spring Term 2021 Week 2

Bringing out the best  
in each other

			This week's theme is:  <b>Rainforests</b>
	<b>The Explorer</b>	<b>Averages</b>	
<b>Monday</b>	Listen to Chapter 1 of 'The Explorer' and complete the tasks on Google Classroom. 	Follow <a href="#">this link</a> to some information about how to find the mean, median, mode and range for a set of data.  Read it carefully, watch the video and have a go at the quiz to make sure you understand.	Create a fact file on paper or by using Adobe Page about an animal that lives in the Amazon Rainforest.  Here's a <a href="#">video</a> that might help you.
<b>Tuesday</b>	Listen to Chapter 2 of 'The Explorer' and complete the tasks on Google Classroom. 	Using what you have learnt, have a go at completing the questions on Google Classroom. $*/** = \text{median and mode}$ $**/** = \text{mean, median, mode and range}$ Remember to show your working out in your work.	Sketch a picture of your favourite Rainforest animal.
<b>Wednesday</b>	Listen to Chapter 3 of 'The Explorer' and complete the tasks on Google Classroom. 	Ask at least 9 people how many pets they have (you can use your Google Classroom stream to ask your class mates). Find the mean, median, mode and range of this set of data. Remember to show your working out in your work.	Create a Rainforest themed chase game on <a href="#">Scratch</a> .  Use the 'Make a Chase Game' tutorial to help you.
<b>Thursday</b>	Look through the PowerPoint on Google Classroom about how to introduce a friend. Practise the new phrases you have learnt. Maybe you could even record yourself!	Look at the Amazon forest rainfall data on Google Classroom. Find the mean, median, mode and range of this set of data. Remember to show your working out in your work.	Create a mind map or use Adobe Post/Page to categorise these Rainforest animals into four animal groups.
<b>Friday</b>	<b>Finish Off Friday:</b> Use today to finish off any work. <b>Flipgrid:</b> Use the flipgrid link on Google Classroom to tell us about your favourite piece of work this week and what you have learned. <b>Sumdog:</b> Complete the Sumdog Tasks/Quiz/Challenges.		
For extra work, please access the lessons on <a href="#">BBC Bitesize</a> . You can also use <a href="#">Times Table Rock Stars</a> and <a href="#">Sumdog</a> training, as well as the <a href="#">Oxford Owl</a> to practise your reading.
