

# Year 5/6

## Home Learning Grid Spring Term

### Theme – War and Peace/Energy

	<p><a href="#">Sumdog Grammar &amp; Spelling</a> training or any tasks set by your teacher.</p>	<p>Create an acrostic poem using the title 'Energy'. Can you try to use alliteration and similes in your poem?</p>
	<p><a href="#">Sumdog Maths</a> training/tasks set by your teacher/+ - x ÷ tables practise. You can also use <a href="#">TTRS</a> or <a href="#">Hit the Button</a> to practise times tables.</p>	<p>Practice the dividing and multiplication methods you have learnt in class. Use a calculator to check your answers.</p>
	<p>Create a Safety Poster that explains how we can stay safe around electricity.</p>	<p>Create a 3D model based on the theme 'Energy'. Ideas include Space, Transport, Rivers, Renewable energy and much more.</p>
	<p>Have a think about what forces move or influence you each day, for example, gravity. Choose a way to explain this force to someone.</p>	<p>Create a poster that explains all the different ways that electricity is generated.</p>
	<p>Using a 30 second timer, have a go at these exercises. Remember to record your score and see if you can improve. Shuttle runs – running from one spot another. Throwing and catching a ball. Tuck jump on the spot. Burpees.</p>	<p>Have a go at creating an exercise plan for you or a family member. Use your indoor P.E sessions to help you think of some activities.</p>
	<p>Create a piece of art that is inspired by energy.</p>	<p>Draw a picture of something in motion. How can you make what you have drawn look like it's moving?</p>
